We have some great news to share with you. At the beginning of this year, The Seed Company became part of Filbert's Fine Foods Limited, a new food manufacturing business based in Dorset.

The Filbert's brand, created by Mark Taylor and Paul Dooley, will have its official launch in the spring, and we look forward to telling you all about this intriguing story and the fantastic new products they have planned, very soon. In the mean time, it's business as usual for The Seed Company, as we continue to cold press our wonderful Dorset rapeseed oil and also produce the dressings and marinades.

The official opening date of the new premises is 1st March 2010, and so from this date our new address details are as follows:

Filbert's Fine Foods Limited,
The Nuttery,
